ABOUT THE COLORADO RURAL HEALTH CENTER

The Colorado Rural Health Center (CRHC) is Colorado's nonprofit State Office of Rural Health. CRHC works with Federal, state and local partners to offer services and resources to rural healthcare providers, facilities and communities. We have a diverse and inclusive statewide constituency of over 3,500 people and organizations and our membership consists of around 150 member organizations.

Established in 1991 by members of the Colorado Rural Health Consortium, Colorado Rural Health Center (CRHC) was created with start-up support from the Federal Office of Rural Health Policy and several other public and private organizations around the state. CRHC was developed as a nonprofit organization and is one of only three nonprofit offices of rural health in the country.

WHY BE A PART OF THIS EVENT?

Now in it’s 19th year, the Forum is a well-established, essential event for members of Colorado’s safety net. Attendees are motivated to engage, learn, and make the most of their time networking with peers and vendors alike.

Conference exhibitors are an essential component to the conference, as they connect our attendees with valuable resources and information that is applicable to their hospitals, clinics, staff and more.
