Department of Public Health & Environment

The CREATE program is managed by the Colorado Rural Health Center and funded by the Colorado Department of Public Health and Environment

The CREATE grant program has maximum funding amounts, and will pay no more than 50% of the following amounts, unless a financial waiver application has been submitted to and approved by the Financial Waiver Review Committee. **These prices include tuition, books, and allowable fees for all courses.** Reasonable expenses for lodging and travel costs may be funded in addition to the course cost. Mileage reimbursement is limited to the current rate allowed by the State of Colorado.

Courses with "NR" following the title of the course require successful completion of the National Registry Exam to receive reimbursement. Students enrolled in courses requiring successful completion of the National Registry exam will be given 90 days from the end date of the course to pass the exam. The Standard Course Prices are set with the intention to help cover a percentage of the cost of the National Registry Exam.

The CREATE Standard Course List is not all-inclusive. Courses other than those listed will be considered if the course content applies specifically to emergency medical and trauma services and reflects appropriate and reasonable costs.

Maximum amounts CREATE will pay towards the following training courses:

All costs over and above these amounts will be paid by the grantee. In the event the actual cost of the training is less than the listed amount, enter the actual cost of the course into your grant application.

This is not an all-inclusive list of training and education courses that the grant program will support. For courses other than those listed above, the grant application should reflect appropriate and reasonable costs.

For in-state conferences, CREATE will only fund registration fees, lodging, at the most economical conference room rate), and travel. Out-of-state conferences may be funded on a case-by-case basis. Meals and banquet costs cannot be funded for any conference event.

If you would like your conference added to the list above, please submit your request to CREATE staff at the Colorado Rural Health Center at rs@coruralhealth.org or 970-302-9021. The review committee will discuss and approve on a case-by-case basis.
